**Turn Medicine-Time
into Treat-Time!**

If your pet has a hard time taking medicine, we can help! With FLAVORx, **we can turn pills into tasty liquid treats that your pet will literally lick out of the syringe or spoon.** This makes medicine-time so much easier and less stressful for everyone.

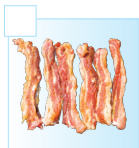

For a complete list of available flavors, flip this page over. Then **tell us which flavor your pet loves the most.** We'll do all the work from there!
